Colorado's Most Trusted Food Photography Team

For over 17 years, From the Hip Photo has been creating food and lifestyle imagery for restaurants, cafes, and food brands across Colorado. We know how to make food look alive — textures, light, and the warmth of the people who make it.

We've shot for some of Colorado's most-loved food brands, including Rosenberg's Bagels. We bring that same energy to BAGL — from your signature bagels and cream cheeses to the team behind the counter.
